

Dear DeKalb Baron Football Supporter:

The DeKalb Baron 2023 football season is fast approaching! The DeKalb Baron Football Boosters is a non-profit organization dedicated to supporting the DeKalb Baron football team. Our goal is to raise funds to support a high-quality program and provide a positive football experience for students, fans, visitors, and the community.

The DeKalb Baron football program helps our players develop leadership skills, self-discipline, and pride in themselves and their community. We are very proud of our student athletes. Most of the funding for team expenses comes from donations. One of our largest expenses is team meals for our Varsity, JV, and Freshmen football teams. We have players from all backgrounds, so it is important to us to provide a carb loaded meal to our players during the week and a healthy meal before each game. We also provide sports drinks to keep our players hydrated during games.

As you can imagine, 70-80 football players eat a lot! We are looking for businesses to help us feed our teams. Enclosed you will find more information about this sponsorship opportunity.

DeKalb Baron Football Boosters is a 501(c)(3) non-profit organization, so all donations are tax-deductible.

Thank you for your support! GO BARONS!
